1. Community Outreach Meeting. Notice for the meeting was posted and invitations (sample attached) were mailed to customers about two weeks in advance. A Powerpoint presentation was made by a panel of Directors and District representatives, which also included handouts and maps. Topics included geographic features, historical evolution, infrastructure, distribution system, water rights, operations and finance, laterals and future concerns. About twenty community members attended (attendance was not recorded).

Adjourned: 8:10 p.m.

Respectfully submitted,

Christina B. Shea, Secretary
